FISCAL ANALYSIS

Assumptions:

1. This bill allows a civil action to be filed in District Court if the Commissioner of Political Practices or County Attorney doesn't respond to a conduct and campaign practice complaint against a state employee, legislator, state officer, local government officer, or local government employee in the required timeframe.
2. It is assumed there will be a minimal number of these cases as the case is only allowed to go to District Court if the timeframe is not met by the Commissioner of Political Practices or County Attorney.
3. This legislation may increase District Court workload, but the Judicial Branch is unable to estimate the impact on judicial workload or the fiscal impact. The cumulative impact of such legislation may, over a period of time, require additional judicial resources because the court dockets are generally full throughout the state.
4. The fiscal impact of this legislation cannot be measured.
